***Keep moving on - there is no other way ...` cause you're restless and wild ...***

*German rockers AXXEPT, Europe`s best tribute-band of the legendary German heavy metal band ACCEPT, keep going forcefully ahead!*

*When AXXEPT was founded in 2004, nobody even thought of ever being able to look back on such a successful way, which includes numerous gigs in Germany, Switzerland, Belgium and Liechtenstein, the production of two DVDs and the appearance at prestigious live-festivals.*

*Besides the popularity and the huge success of the groundbreaking original ACCEPT, which strongly influenced the 1980s rock/metal scene, it is AXXEPT's musical quality that establishes the band's status as Europe's best ACCEPT Tribute Band. Not at last because of the musicians' longtime experience, having played and learned in various bands and stylistics, they know how to make AXXEPT sound authentic!*

*The setlist of AXXEPT mainly covers the ACCEPT hits of the eighties as well as rare songs of that time. It includes milestones like "Balls To The Wall", „Metal Heart“, „Fast As A Shark“ or „Princess Of The Dawn“, but also less known songs of the ACCEPT history.*

***The legend lives on! So check back soon ... you'll get your balls to the wall!***
